of Disturbances in Erin

BELFAST GUNMEN ACTIVE

Police and Soldiers Apparently
Unable to Cope with the
Situation

Dublin, March 7 (By the Associated Press).—Reports that Republican rebels had given Free State forces 48 hours in which to surrender the Limerick police barracks has intensified the situation in Limerick and caused extreme anxiety among Free State forces.

Ten armed men of the Mid-Limerick brigade of the Irish Republican army entered the Limerick office in Limerick last evening and arrested Capt. O'Shaughnessy, the liaison officer.

Haverhill Hall was commandeered by additional Republican army units who arrived in the city from outside districts to join the other troops who came into Limerick Sunday and commandeered the principal hotels.

Armored motor cars were patrolling the streets yesterday on orders given by the military authorities to counter the move of units of the Irish Republican army from Cork, Tipperary and Clare. These units declared they intended to uphold the recent proclamation of the brigade of the Mid-Limerick Republican army refusing to reorganize the provisional government and pledging allegiance to the Republic.

Belfast, March 7 (By the Associated Press).—Gunmen became active during the early morning hours and tension in the city is increasing in spite of the efforts of police and soldiers to maintain order.

One man was shot dead while on the way to work and another had his right arm shot away.

PETITIONERS INSIST
KLAN IS BANKRUPTAlleged They Were Dropped from
Membership when They Started
Investigation.

Atlanta, Ga., March 7.—A general demurrer to the suit for reversion of the Ku Klux Klan was presented by counsel for the Klan when formal hearings were begun in Fulton Superior court yesterday on petition of Henry B. Terrell and others for appointment of a receiver for the order.

The petitioners allege that the organization is bankrupt and charges that they were dropped from membership when they sought an investigation of its affairs.

In its demurrer the order alleged that the plaintiffs in the case had no property rights in the Klan, had been duly expelled and consequently had no cause for action. The demurrer also set up that if intervenors whose memberships in the order was not questioned wanted to bring action against the Klan they should do so separately and not in conjunction with the demurrers of the order.

Judge George Bell, before whom the case is being tried, has granted a subpoena duces tecum obtained by the Western Union Telegraph Company to produce all telegrams relating to Ku Klux Klan affairs received by the order since last August.

TAKES UP INSURANCEBennington Young Man Becomes Partner
in Business Established
By William H. Wills.

F. Haviland Sibley, who has been connected with the production system at the Allen A. company office, has purchased an interest in the William H. Wills insurance and real estate business.

Mr. Wills, who established the business in 1905, has found that changes and increases have developed to such an extent that the office in the Hawks block ceased some time ago to be a one-man institution and the admission of Mr. Sibley into the concern constitutes what is believed will prove a solution of the problem.

Mr. Sibley is a native of Bennington, a son of the late A. Buel Sibley. He is a graduate of Williams College, was in the service during the war and should be qualified by natural ability, education and experience to accomplish what he and Mr. Wills have in view.

By steady application to the work at hand and by taking up new features as they developed Mr. Wills has established a business in which he is entitled to take no small amount of pride. The new partner will have the benefit of that experience and the combination should result to the financial benefit to both.
